Dear Parents/ Guardians

Re: Viewing of Examination Scripts (VOES) by NTIL Students

1. In order to improve feedback to students on their performance in the Board's Examination, the Board has in place the process of showing students their examination scripts. The aim of this is to enable students to learn from their mistakes and enhance their future performance in their respective Mother Tongue languages.
2. For the convenience of students, parents and teachers, the Board has requested the Ministry of Education to provide more facilities at the various Examination Centres, so that students can view their Examination Scripts.
3. With this additional support from the Ministry, the students who are sitting for their respective NTIL Examination will be able to view their Examination Scripts on the day mentioned in the table below. Venue has been specified in their Entry Proofs or as assigned by the Board.
