Dear Parents/ Guardians

Re: Viewing of Examination Scripts (VOES) by NTIL Students

1. To further fine tune the feedback for students, the Board has in place the process of showing students their examination scripts. The aim of this is to enable students to learn from their mistakes and enhance their future performance in their respective Mother Tongue languages.
2. As teachers are the best persons who can guide their students in their learning, for SA2 2016 VOES, BTTSAL has put in place an additional procedure. This time, teachers conducting the viewing will be the teachers who are currently teaching the students. These teachers will be given time to view all their students' examination scripts to enable them to note every student's strengths and shortcomings.
3. For the convenience of students, parents and teachers, the Board has requested Ministry of Education to provide more facilities at the various Examination Centres so that students can view the Examination Scripts.
4. With this additional support from the Ministry, the students who are sitting for their respective NTIL Examination will be able to view their Examination Scripts on the day mentioned in the table on the reverse side of this page. Venues have also been specified in their Entry Proofs.
5. Please ensure that your child/ward is punctual for the VOES session.
6. There is a deadline for parents who wish to appeal for a detailed report on their child's performance. Please note that there will be a charge of \$100 for appeals made. BTTSAL will NOT entertain any form of appeals from parents beyond the stipulated deadline.
7. Thank you.

Ms Ratnasingam Selvarani

Chief Executive

Board for the Teaching and Testing of South Asian Languages
